Key Features

- LABOR SAVINGS- Peels and cuts all smaller fruit.
- 20%+ MORE YIELD-Thanks to the precision peeling along the contour of the fruit.
- Even peel depth set by yourself, the machine always gives you maximum yield.
- 30% LONGER SHELF LIFE: Machine's patented laser-like cutting ability
- Reduces fruit's texture damage and juice loss, thus keeps them fresh longer.
- FLEXIBLE OPERATION- Small Foot Print and light enough (22 lbs) to move as needed.
- LOW PRICE: Only a fraction of other industrial peeling machines on the market,
- It performs multiple functions including zesting peeling of lemons and limes.
